

NATIONAL ASSOCIATION OF ASIAN AMERICAN PROFESSIONALS

# REASONS TO PARTNER WITH NAAAP

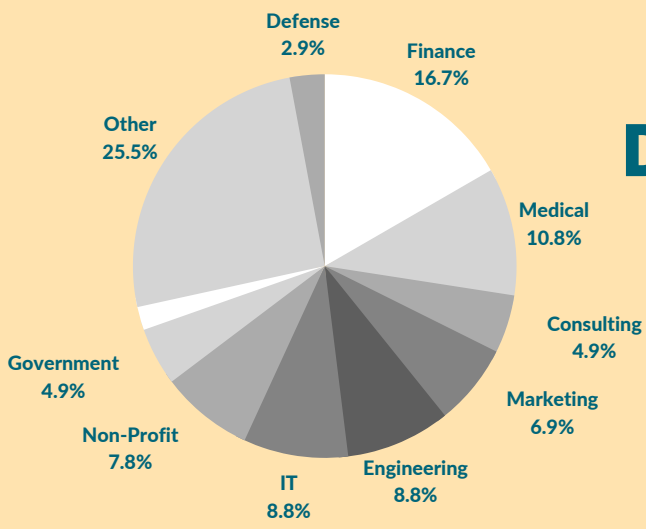

Belong to a community of leaders

## PREMIER LEADERSHIP ORGANIZATION

### For Asian American Professionals

Founded in 1982, NAAAP is a volunteer-run non-profit that inspires, develops, and connects leaders across industries and communities through networking and educational events, trainings, community service programs, and celebrations of Asian American excellence.

## DIVERSE AUDIENCE & MEMBERS

### Pan-Asian and Pan-Professional

Our organization is popular for both members and corporations due to the diversity of professional and educational backgrounds.

## MULTIPLE CHANNELS WITHIN

### Beyond Leadership

Within our organization, we celebrate diversity even further and align our members interest with specific programs. Women in NAAAP (WIN), Self-Care and Wellness, PRIDE, and scholarship opportunities are a few examples of our niches.

## WHAT'S IN IT FOR YOU?

### Benefits of Association

As a collection of 30 different chapters across North America and China, you are visible to 25,000 other professionals and sponsored companies. You get insight on Pan-Asian experiences and tap into recruitment and networking opportunities

## EVENTS MEANT FOR YOU
